Taxes and IRS rules: All winners shall be responsible for any and all federal, state and local income taxes, fees, assessments and like charges associated with the prizes. Government rules regarding withholding can change without notice. Concordia Preparatory School follows the rules in effect at the times the prizes are awarded. The IRS has taken the position that amounts paid for chances to participate in raffles/drawings, lotteries, or similar programs are not charitable gifts, and, therefore, the price of entry does not qualify as a deductible charitable contribution. Each ticket purchaser is advised to consult his or her own tax advisor with respect to the tax liabilities that may arise from winning this contest.

For complete information about this contest, please read the official rules and regulations which follow, and may also be found on our website at: www.concordiaprepschool.org/tuitiondrawing
